

Self-Serve Disclaimer Guidelines

Terminology

- An **override disclaimer** replaces your standard disclaimer.
- **Additional disclaimers** are applied after your standard or override disclaimer.

How to Add Additional or Override Disclaimers

Below is a view of a generic flyer template with the HTML view on the left and a preview of the result of that code on the right.

Under the disclaimer settings, find the example tag

```
{{ organization.disclaimers.DISCLAIMER_NAME.content }}
```

TOTAL EXPERT

Copy this example disclaimer tag and paste it into the line between the tags

```
{% capture override_disclaimer %} and {% endcapture %}.
```

```
